Buy Scrip Now cards, there are no deadline dates or delivery needed. Simply buy your cards, print and spend!

Once you register your family on “shopwithscrip” and associate your account to the band, you will be able to place and pay for your order online. After your orders are placed, I will release all orders based on our schedule, and they will all be shipped to me for distribution. This will make things easier on everyone! You will be able to browse the available SCRIP cards, place your own orders and pay by echeck. (must set up a presto pay account first)

Registering on www.shopwithscrip.com is easy!

Just go to the site, look for the green Family Sign Up box on the left side of the page, and click on create an account. This will take you to the family registration page, where you can create an account. Just choose a unique username and a password you will remember and follow the directions on the site.

The enrollment code for the Lakeland Band Booster's is 91DD46F914L4

Once you register and create your account, you are ready to log on and place your order.

Next, you will need to set up a presto-pay account to pay by echeck. (takes a few days to be authorized, so set up presto pay right away!)

Most retailers have a SCRIP NOW option. On these, you can log on to shopwithscrip, purchase **SCRIP using Presto Pay and your cards are delivered to you online** meaning you are good to go - **no waiting on delivery and no shipping charges!** PRINT AND SPEND!

(There is a 15 cent fee for each time you use presto pay)

I will offer a one-time physical card order for those of you that would like to order the plastic cards and reloadable cards. Once you have the reloadable cards, you can add money to your existing card at any time just like the SCRIP NOW option. **Please place all plastic and reloadable orders by May 25th.** I will have them for delivery on or after May 31st (I will make arrangements with you to deliver over that weekend or at the end of practice on June 3rd.)

If you have any questions about SCRIP please do not hesitate to contact me.
